A stylized illustration of a plant with several green leaves and a small, round glass bottle containing a green liquid. The word "Physique-Chimie" is written in large, green, outlined letters across the center of the image.

Physique-Chimie

The image features the word "Musique" in a bold, blue, blocky font. The letters have a three-dimensional, slightly jagged appearance. The word is set against a light blue background and is surrounded by various black musical elements. To the left of the word is a treble clef symbol. Above the word, several musical notes (quarter notes, eighth notes, and sixteenth notes) are scattered. Below the word, a five-line staff curves upwards from the bottom left towards the center. Several musical notes are positioned along this staff, some above the lines and some below, creating a sense of motion and rhythm.
